Who is FITCE.be?

FITCE.be

FITCE.be is the Belgium-based broadband connectivity and services organisation, that focuses on knowledge sharing and networking. We bring together industry professionals and academics to exchange views and gain new insights into the developments and challenges related to the technical, regulatory, societal, and economic aspects of broadband – both fixed and mobile.

During our in-person and virtual events, we explore important trends in the field and discuss evolutions on the international stage, and how they translate to the Belgian content.

FITCE.be is ran by a group of enthusiast digital professionals. Via [this link](#) you can find our organisational chart. Click on a picture to go to the LinkedIn profile for more information and background.
