1 What is FITCE.be?

[FITCE.be](#) is the Belgium-based broadband connectivity and services , that focuses on knowledge sharing and networking. We bring together industry professionals and academics to exchange views and gain new insights into the developments and challenges related to the technical, regulatory, societal, and economic aspects of broadband – both fixed and mobile. During our in-person and virtual events, we explore important trends in the field and discuss evolutions on the international stage, and how they translate to the Belgian content.

FITCE.be is ran by a group of digital professionals. Via [this link](#) you can find our chart. Click on a picture to go to the LinkedIn profile for more information and background.

Contact information

FITCE.be is an association without fixed headquarters nor do we have permanent staff. The fastest and most efficient way to reach us is through - noblesse oblige - digital means.

Never hesitate to e-mail/skype/slack/... [our board members](#) if you have their coordinates.

If you are new to us, please send an e-mail to info@fitce.be for a first touchpoint.

2 2024 Events

This year FITCE.be is organizing two main events: the FITCE.be Mobile Cloud event and the FITCE.be 5G Advances for BE symposium.

FITCE.be Mobile Cloud evening event

Our spring event is an evening session with a walking dinner. Experts in the field will unveil the power of mobile cloud solutions as a business enabler. Networks are transforming towards purely cloud-native architectures. We will zoom in on this transformation from a network operator's point of view, reflect on cybersecurity and technology opportunities

13 May 2024 | 16.00 – 23.00
In Ghent

Confirmed speakers:

- **Frederic Vander Sande** (VP Telecom, Media & Entertainment - Capgemini)
- **Bruno Volckaert** (professor imec - IDLab - UGent)
- **Steven Van Den Bergh** (Customer Solution Architect – Nokia)

Registration and individual ticket prices will follow soon.

FITCE.be 5G Advances for BE symposium

A congress with the most important speakers from the sector, ending with a networking dinner. How is 5G advancing in Belgium, and how can we cooperate to do it faster and more sustainable. What smart opportunities are still unexplored and where are the opportunities for further advances?

22 October 2024 | 10.00 – 23.00

Date, location and detailed agenda will follow soon.

Registration and individual ticket prices will follow soon.
